

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST02815AT

This certificate issued to

U. S. Technical
127 Judy Lane
Fayetteville, GA 30214

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product--Type Certificate Number : A24CE

Make : Raytheon

Model : 1900D

Description of Type Design Change: Installation of a cockpit door and modification of the forward bulkhead in accordance with U. S. Technical Master Drawing List Document No. 4099-25-000, revision G, dated March 4, 2004, or later FAA approved revision. FAA Approved Airplane Flight Manual Supplement (AFMS), U.S. Technical Document No. U10-0127, dated March 8, 2004, or later FAA approved revision, is a required part of this modification. Instructions for Continued Airworthiness can be found in U. S. Technical Document No. U10-0129, release 1, dated March 4, 2004, U. S. Technical Document U10-0128, release 1, dated March 4, 2004, and U. S. Technical Document U10-0130, release 1, dated March 4, 2004.

Limitations and Conditions:

- 1)Compatibility of this design change with previously approved modifications must be determined by the installer.
- 2)If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
- 3)Certification Basis: The certification basis is as defined on the Type Certificate Data Sheet of the original product.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : March 28, 2003

Date reissued :

Date of issuance : March 08, 2004

Date amended :

By direction of the Administrator
